

U. SUGGESTION FORM

The Contra Costa County Public Works Department Landscape Standards is intended to be a living document that will evolve over time. The Landscape Standards encompass an extremely broad spectrum of information, making it inevitable that not all issues have been thoroughly addressed. As such, the Public Works Department welcomes any comments or suggestion you may have that will improve these standards. Please take a few minutes to complete this form. Relevant comments and suggestions will be incorporated into subsequent editions.

Please identify yourself as a:			
Developer	☐ Landscape Archit	ect/Designer	☐ Irrigation Designer
☐ Installation Contractor	Maintenance Con	tractor	Other
Optional contact information: Name:			
Company:			
Address:			Zip Code:
