

RecycleSmart Approved Construction & Demolition (C&D) Processing Facilities

These facilities are among the list of RecycleSmart Approved Construction & Demolition (C&D) Processing Facilities that have been assessed for their ability to recover at least 65% of accepted C&D Debris. The County has no influence or control over disposal fees at these facilities, and does not endorse the use of one facility over another.

Contractors must request and hold on to **Recycling Receipts** that show **Material Type, Load Weight, and Unit of Measurement (pounds, tons, cubic yards)**. These receipts are required to be attached to Waste Management Reports submitted to DCD in order to comply with CalGreen recycling requirements.

Call facility to verify process for obtaining C&D recycling receipts BEFORE taking loads to facility site. Verify all required info is included on receipts before leaving each facility.

**MINIMUM OF
65% RECYCLING
REQUIRED
as of 2017**

NOTE:
In order to get any recycling credit for some of your mixed C&D debris loads be sure to only take debris to "Mixed C&D" facilities listed here AND request and hold on to receipts that show the quantity of "Construction & Demolition" /or/ "C&D" (and not MSW) accepted at each facility-

WARNING:
Receipts that show MSW or Municipal Solid Waste only count as DISPOSAL.

⊖ **The receipts issued by these facilities WILL NOT show load quantity (or possibly material) unless properly requested at the time load is being received. Confirm receipt lists material type and quantity/unit of measure prior to leaving the facility. See Receipt How To Guide for samples of adequate & inadequate receipts.**

⚠ **These facilities also issue MSW (disposal) receipts. In order to get recycling credit, be sure to request and hold on to receipts that show the amount of "Construction and Demolition" /or/ "C&D" accepted and not MSW.**
