

CalGreen Letter of Acknowledgement (Attach and submit with Plan)

Important Information

Initial after you've read, understand, and agree to comply with each statement:

\_\_\_\_\_ During Construction Activities, I will collect receipts, and other verifying documentation for any waste load leaving my project site.

\_\_\_\_\_ I have reviewed the sample receipt located behind the Recycling Plan. I understand that the receipts I collect must include date, facility name, type of material, amount, and unit of measurement.

\_\_\_\_\_ I will call my chosen facility to verify the process for obtaining C&D recycling receipts before hauling any loads away from my project site.

\_\_\_\_\_ If I use a facility outside of the "Approved C&D Processing Facilities" list, I will submit a Facility Certification Form along with receipts and appropriate documentation. I understand that I will not receive recycling credit unless Facility Certification Form adequately demonstrates the level of recycling to DCD.

\_\_\_\_\_ After construction activities have ended, I will complete a Recycling Report, attach all receipts and other verifying documentation, and will hand deliver to the APC.

\_\_\_\_\_ I understand that **my final inspection will NOT be scheduled** if 65% by weight of Construction and Demolition Debris is not diverted (recycled or reused) from the landfill.

By signing below, I acknowledge that I am responsible for complying with the above statements regarding the construction and demolition waste recycling requirements of the 2016 CalGreen Building Standards Code as amended by County Ordinance 2016-22.
